

Internal OHS Audit Training

Our purpose is to work with clients to manage their risks through creating and delivering risk solutions that make our clients more successful.

Our training is delivered by industry specialists with diverse backgrounds and experiences.

As an Associate member of SISA, NRS offers a discounted rate of \$420.00p.p. + GST to all SISA members.

Internal OHS Auditing

- Duration – 2 Days
- SISA public course or onsite by arrangement
- Dynamic and systematic learning
- Consolidate and structure prior knowledge

Who Should Attend?

This program has been designed to meet the needs of those whose responsibility is to audit an OH&S management system.

The program also aims to develop the participant's skills and knowledge to implement, maintain and monitor the performance of an OH&S management system.

The role and responsibilities of the internal auditor together with the process of preparing for, conducting, reporting and following up a systems audit will also be covered.

**** Next Internal OHS Auditing training program commences in March 2008. Register NOW!!!**
