National Risk Solutions provides OHS Training and Consulting Services to its client base of organisations and associations that in turn represent over 40% of the South Australian workforce

BSB41604 Certificate IV in Occupational Health & Safety is now Government funded (subject to eligibility criteria)

NRS and Cert IV - NRS has developed a best practice "Manage Business Safely" program that incorporates 6 key OHS and 4 key Management Units of Competency.

It is designed to give HSE practitioners, Frontline Managers and Supervisors the skills and knowledge required to fulfil their OHS obligations, minimise risk and assist those within the organisation who are implementing and maintaining the Occupational Health and Safety Management System.

NRS Partners SISA - As an associated member, and proud supporter of SISA and Occupational Health and Safety in South Australia, NRS offers all fellow members and associate members substantial discounts. NRS and SISA will be commencing a Joint initiative in April to deliver Certificate IV OHS to members, with a clear Self Insurance focus.
