

SENIOR WORKERS COMPENSATION CLAIMS CONSULTANT

Jardine Lloyd Thompson Pty Limited (JLT) is a leading provider of risk solutions and corporate services in Australia, today employing over 850 industry professionals in all states and territories.

JLT is a wholly owned subsidiary of the largest quoted British and European insurance broking group. We are a progressive company with a real commitment to looking after our staff.

JLT provides claims and Injury Management advice and services across various industry sectors and also manages the LGA Workers Compensation Scheme (LGAWCS) which provides Injury Management and OHS&W services to all Councils and employees in South Australia. The LGA is a self insurer under the Workers Rehabilitation & Compensation Act.

We are seeking a Workers Compensation Senior Claims Consultant. Experience in the Workers Rehabilitation and Compensation Act, the Performance Standards for Self Insurers and in managing claims in a self-insured environment is essential.

Well developed customer service, computer literacy and presentation skills are essential. The successful candidate will be a team player, committed to an integrated and early intervention approach to workers compensation. Specific areas of competency include determining liability, pro-active claims management and up to date knowledge of the legislation.

If you meet the above criteria, are looking for a challenge, excellent working conditions and a career in claims management, we are interested in hearing from you.

A salary package will be negotiated dependent on qualifications, technical skills and experience.
