

You are invited to attend an exclusive educational event:

# GEPIC Overview - Permanent Impairment of Psychiatric Injury

This is your opportunity to gain an understanding of the guide to the evaluation of psychiatric impairment for clinicians (GEPIC) from Dr Gregor Schutz, Consultant Psychiatrist & GEPIC Accredited Assessor.

GEPIC will be used to assess permanent impairment from 1st July 2015 as part of our legislative changes in South Australia.

Dr Gregor Schutz is a well respected Consultant Psychiatrist with a broad range of clinical experience in general adult psychiatry in both the public hospital system and private practice.
